

## "The Pre-Paid Legal Advisory Council provides seasoned professional guidance and advice."

- Harland Stonecipher, Founder, Chairman, CEO

### **Duke R. Ligon**

**Advisory Council Member**  
*Former Senior V.P. & General Counsel  
- Devon Energy Corp*

As a lawyer, I know the market for legal services; and I believe the Pre-Paid Legal Life Events Legal Plan is the best value in that market place. Without question it opens the door to the courthouse, but it also provides access to the law firms, and the attorney's office, offering a peace of mind in a time of crisis or everyday life.

**Mr. Ligon, Former Senior Vice President & General Counsel for Devon Energy Corporation**, had been with the company since 1997. Prior to that he was a partner at Mayer, Brown, Rowe and Maw, a law firm in New York City, and was a Senior Vice President and Managing Director at Bankers Trust. He held various positions with the U.S. Departments of the Interior and Treasury and the Department of Energy. Mr. Ligon was a captain in the U.S. Army in Vietnam and was awarded a Bronze Star.

### **Andrew P. Miller**

**Advisory Council Member**  
*Former Virginia Attorney General*

Every person at sometime in his or her life needs ready access to justice. It is important that you plan ahead so that such access is available when a legal problem impacts your life. The situation confronting you is frequently stressful enough, without your having to hunt for a lawyer capable of dealing with it.

**Mr. Miller served as Attorney General of Virginia from 1970 to 1977.** He is active in the National Association of Attorneys General (NAAG), the Conference of Western Attorneys General (CWAG), the Democratic Attorneys General Association (DAGA), and the Republican Attorneys General Association (RAGA).

### **Grant Woods**

**Advisory Council Member**  
*Former Arizona Attorney General*

I am impressed with the quality of lawyers associated with Pre-Paid Legal. Across the country, hard working men and women have access to the justice system and quality legal representation that they otherwise could not afford. Putting good people together with good lawyers to resolve their legal needs has been a great service and business model for everyone associated with Pre-Paid Legal.

**Mr. Woods served as the Attorney General of Arizona from 1991 to 1999.** He was President of the Conference of Western Attorneys General, chaired the Civil Rights and Supreme Court committees for the National Association of Attorneys General, and he was selected by his peers as the nation's top attorney general in 1995.

### **Mike Moore**

**Advisory Council Member**  
*Former Mississippi Attorney General*

I am proud to work with Pre-Paid Legal Services, Inc. because without its products like the Identity Theft Shield or one of its Legal Plans, many would be without the legal protection they need in today's world. Harland Stonecipher and his team have contributed mightily to the Justice System.

**Mr. Moore served as Attorney General of Mississippi from 1988 to 2004.** He now practices law with his own firm, Mike Moore Law Firm, LLC, in Flowood, Mississippi. Mr. Moore received national attention in 1994 when he filed the first lawsuit against 13 tobacco companies. The suit resulted in a \$4.1 billion settlement for the state of Mississippi.
